K60 Ranger

UNSTOPPABLE

Frequently asked for, long awaited and now realized. a tire who is truly unstoppable! Heidenau Tires has developed a tire that combines the requirements of mud enthusiasts and sand lovers, with Heidenau's product and quality standards. The K60 **Ranger**.

A tire worthy of standing side by side with the legendary K60 *Scout*, The Ranger is designed and developed to be the off-road cousin in the K60 family. Design features of the K60 **Ranger**:

- ✓ Open tread profile provides impressive traction and outstanding self-cleaning on loose surfaces.
- ✓ Alternating profile elements at the edge ensures even power transmission and enhanced sideways climbing ability (e.g., in ruts and single track).
- ✓ Special support features within the tire walls guarantee a long lasting stable driving behavior independent of surface conditions.
- ✓ Optimized tire contour allows an "A+" off-road handling.
- ✓ Specially reinforced off-road carcass with high puncture resistance
- ✓ High level of tread stability off road and excellent grip on wet asphalt due to mix of new compound and carcass.
- ✓ Practical design with a characteristic brand look.
- ✓ Application: 70% off-road; 30% road

**PREMIERE**

Our K60 **Ranger** will be available in a wide range of dimensions for most adventure bikes. Delivery to distributors is expected Q1/2022.
